ABOUT

Ben Joss is an award-winning editor with over 25 years' experience successfully telling stories for audiences worldwide.

Ben's work has screened at Berlinale, Sitges, MIFF and SXSW (amongst others) and he has worked for clients such as Netflix, Paramount+, HBO, NBCU, CBS, Lionsgate, 20th Century Fox and ABC (US). His series work includes the BAFTA award winning *Nowhere Boys*, Matchbox/TAP premium series *The Survivors* and cult-hit *Wentworth* (for which he won an AACTA award).

With over 200 hours of professional screen credits, Ben has established a reputation as a diverse and adaptable practitioner.

Forging his career in the early 2000s as Melbourne's top Assistant Editor, Ben has worked with international filmmakers James Cameron (*Sanctum*), Fred Schepisi (*Empire Falls*) and Zack Snyder (*Guardians of Ga'Hoole*).

Ben's broad experience in drama, action, visual effects, sound design and music provides the opportunity for your project to arrive at its destination, regardless of the direction you need it to travel.
